A LITTLE BIT ABOUT US:

Faze Caterers are a leading high-quality events catering company based in Basildon, Essex and offer a bespoke catering service throughout Essex.

The Faze story began in 2010 when managing director Ian Hargreaves set the company up with a strong focus on providing a high end casual dining experience with dishes that are unique, memorable and exciting, whilst using the finest local produce available. Over this time, we have helped many people achieve their dream occasion and we would like to do the same for you.

We love to help you create and then watch your perfect event unfold, taking great pleasure and a huge amount of fun in devising the ideal menu that suits your occasion. Our example menus are a fantastic place to start on your planning journey with a variety of menu styles, flavours and combinations for you to see, which will really help you to make the right choice.
